The West Central Florida Builders Association's mission is to improve the business climate for the building industry in Hernando and Citrus County, Florida. The vision of the West Central Florida Builders Association is to serve as an all encompassing construction resource for our members. Our members will benefit from our superior lobbying efforts, educational forums and the ability to provide networking opportunities and comprehensive products and services. WCFBA has established a tiered dues structure. For your first year of membership, annual dues for builder and associate members are \$325. Subsequently, membership dues will increase to \$350 for your second year, \$375 for your third year, and will level off at \$400 after three years. Builder and Associate dues payments to the West Central Florida Builders Association (WCFBA) are NOT tax deductible as charitable contributions for federal tax purposes, but may be deducted as an ordinary and necessary business expense. Your dues for annual membership to the West Central Florida Builders Association include \$115 for membership in the Florida Home Builders Association (FHBA) and \$198 for membership in the National Association of Home Builders (NAHB). A portion of your 2021 dues to the FHBA is used for lobbying and is not deductible for tax purposes. The non-deductible portion of your 2021 FHBA dues is 35% and the non-deductible portion of your 2021 NAHB dues is 19%.
